Is Glencairn right for me?

Glencairn is perfect for those who don't need intensive nursing care but want to free themselves from the burden of running their own home. We offer a rare combination of elements – care and support, an immaculate and beautiful environment, wonderful top class facilities and numerous social opportunities. We hope you'll find that, with more time and energy, you'll enjoy a new lease of life.

How much would it cost?

With less intensive support than a nursing home, costs are surprisingly affordable – rooms start at £695 per week, offering excellent value.

What if I become ill?

We can co-ordinate help from our local GP surgery and nursing support for a short-term illness and end of life care. For a long-term prognosis, we can arrange alternative accommodation so you can continue to receive the level of care you need.

What facilities do you provide?

Our free of charge facilities include: outdoor hot tub, massage chair, boules, jacuzzi bath, exercise bike, off street parking, Concierge service and a range of in-house events. Each room has an

en-suite bathroom, TV with DVD player, a safe for your valuables, and tea and coffee-making facilities. Larger rooms also have a small fridge.

What does the Concierge do?

They'll get to know you and your personal likes and dislikes, suggesting ideas for trips and activities and arranging anything you'd like to do... a bridge party at Glencairn... meeting friends at a Morningside café... a day out down the coast... and even holidays such as a cruise around the Bahamas. They take care of all the practical arrangements so all you have to do is have a great time!

What personal belongings can I bring with me?

Whatever you feel is appropriate. All our rooms are fully furnished but you're welcome to bring your own soft furnishings if you prefer; they must be fire retardant. Likewise, any electrical equipment you bring must be PA tested for safety.

Are pets accepted?

We understand how important pets are and, so long as the other residents give their approval, we're happy for you to bring house-trained and neutered pets. All pets are the responsibility of the owner.

There's an open invitation to come for a visit and experience Glencairn for yourself. To arrange either a visit or a stay, or if you have any other queries, please contact our Manager, Julie McNaughton, who will be delighted to help.
