Everything about Glencairn is there to help residents enjoy spending time with others or by themselves.

With rooms starting at £695 per week Glencairn is surprisingly affordable, and offers excellent value for money.

Offering 24 hour care and assistance, our emphasis is on residents enjoying their lives to the full.

Our friendly and professional staff are on hand 24 hours a day to provide support and care tailored to our residents' individual needs, including

personal care, assistance with mobility, attending events and administering any medication. We offer short stays, respite, or permanent residency.

With more time, energy and our top class facilities, Glencairn residents are able to enjoy a new lease of life.
